      A mysterious invite lures nine
creators—director, SFX artist, stuntman, AD, DP, sound
tech, and a 'perfect' couple—to an all-night
"competition." The studio doors seal. A cold Voice lays
out the rules: film a terrifying scene by deadline, hit
the viral threshold, or someone dies. As their shorts
blend into real carnage, egos fracture and alliances
form; scripts are weaponized; film gear becomes lethal.
Each day's prompt escalates the mayhem until only a
Final contestant remains to face a last, impossible
choice—and the truth about who's been watching.
